---

Github lab:

There was no badge/certification, but I will upload the last screen of my code, as well as the completion record of it.

Activity	Type	Date started	Date finished	Score	Passed
Introduction to git and GitHub	Lab	23 hours ago	22 hours ago	100.0/100.0	✓
Introduction to git and GitHub	Lab	1 day ago	1 day ago	100.0/100.0	✓

3. Qwiklabs was actually fun! It became a bit stressful with the authentication process, but overall, the coding and examples they provided enhanced my learning. The Quest, I for sure enjoyed more. We were able to double check our work after running the code, it gave it a more realistic feeling. I do plan to use more of the remaining credits, to try more of the labs! Thank you Professor!
